### Discussion:

- There are only 40 sets of Jersey's. We have the most of white, but they are duplicate numbers.  
\*Next year we will need two sets of uniforms 0-99 in Red and in White.
- Helmets were not reconditioned. We received 95 thus far, waiting on 10 more. Zenith helmets were never ordered for the Seniors.
  - this year we will have to deal with various colors on the field.
  - Safety inspection needs to be completed on the helmets (in-house).

### **Coach needs:**

**Updated sponsorship** list, their levels, and an update on banners. He is currently working on 4-5 businesses a day (it's important that TDC know who is current and who is being visited so not to duplicate efforts.

- TDC needs to update the Google Doc and create an action item list so all committee members can help in this endeavor.

**Dry-cleaned Uniforms** – Sun Cleaners will no longer support the program (upset over not receiving promised sponsorship recognition and he's currently over extended). \*If we can find a new laundry mat, he will train them on the process. JV players can take their uniforms home and wash them, but Varsity needs to be dry cleaned.

- Jason will reach out to CREST cleaners (they are in our district) and the one in Indialantic.

- ASK if they do it for free, they will get all of our sponsorship levels marketing

**Field Paint** – we do not have enough and need more. \*Tucker is being asked where it can be purchased. **Call Ray with Pioneer Paint out of Orlando (1-407-375-3268).**
